## KS1 Class 2 Foston: Potion-Making!

On Tuesday 4<sup>th</sup> May we will be creating our very own mysterious potions to inspire our poetry based on our Rapunzel book in English! We have gathered our wands and cauldron-stirrers but it would be lovely if the children could bring in a prop such as a witch's or wizard's hat, cape or broom to help us all get into the spooky spirit!

## Potential / Exciting Projects for Foston's Future

We have put in a planning application for an additional teaching space in our school, which will provide the much needed space for group work and resource storage. The building will be a wooden structure similar to the junior classroom and will sit in the area opposite the main school door.

In addition to this in the longer term we are working with North Yorkshire County Council to explore plans for extending the school to allow for a larger KS1 classroom. This will provide more space for the children and allow us to develop the existing KS1 classroom into a library. This is in the early stages of discussions and by no means finalised, but we will keep you posted as we get more information.

## New Staff Update

We will be advertising for a full time KS2 teacher to work alongside Miss Stringer and Mrs Allon on a year's temporary contract from September. After the disruptive year we have had we are in the extremely lucky position to have the budget available this year for this temporary resource, allowing us to provide additional support in Math's and English. This will ensure all children have the opportunity to make accelerated progress and make up for any lost learning time.
