Rescheduled sponsored walk for treatment bag – next week

As many of you will remember our charity day last term highlighted a charity that is close to one of our families. Calum Balding (Frankie and Ava's Dad) is currently undergoing chemotherapy for bowel cancer.

As a school community we wanted to support this charity and had planned for KS1 and KS2 children to take part in a sponsored walk when they visited Castle Howard. Unfortunately, this wasn't able to happen and we were unable to do this on the rescheduled date either. Therefore next week during the KS1 and KS2 children's daily PE sessions they will be taking part in a sponsored walk/run around the field.

Thank you to those who have already sent sponsor money in. Those of you who have gained sponsorship and have not brought in your money, please could we ask that this is brought into school by next Friday. Should you require another sponsor form please find one attached.

Once again, thank you for supporting our school community and we know you will join us in sending Calum our very best wishes.

Sunday 19th September 2021 - 11am to 3pm

As part of AONB Landscapes for Life Week, join us for an exciting discovery passport trail around the Ampleforth Millennium Green.

You'll be given an explorer bag to carry out your own bug hunts, investigate aquatic invertebrates and create your very own mammal prints plus much more! Complete all tasks to win a special goodie bag!
