Your time and date of appointment will be in your child's diary.

Would you like to win a luxury hamper?

Miss Stringer is currently completing a Masters in Leadership and Education. As part of this work, she is conducting research across our schools on parental decisions when choosing primary schools. Please can you take a few moments to fill in the questionnaire using the following [link](#), which would be greatly appreciated. This will also be a useful tool to guide and improve our school practice. The questionnaire can be filled in anonymously or if you wish to leave your name and email we will enter you into a prize draw to win a luxury hamper.

Nepal Zoom Call

As part of our Global classroom project, we have connected with schools in North Yorkshire and in Nepal. We previously arranged to have a zoom call but due to the global pandemic, we were not able to go ahead due to school closures in Nepal. We are very excited to announce that we will be having a Zoom call on **Wednesday 24th November** for all pupils to meet with the pupils across the world and learn all about life in Nepal. If you have any queries or wish to discuss the call further, please speak to your class teacher.

Chess Tournament

On Sunday some of our children at Foston participated in the York Inter-School Chess Tournament. They delivered a great team performance and placed 7th overall, with 2 wins out of 5 rounds. They were gifted 3 brand new chess sets & boards which have kindly been given to school for use during the after school games & chess club. Well done everyone!
