

## FOSTON PRIMARY SCHOOL BULLETIN

### New COVID rule changes

As you will be aware there have been further Government Covid changes. Please see below;

- People self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative on both day 5 and day 6 and do not have a temperature, from Monday 17th January.
- Individuals who are still positive on their rapid lateral flow tests must stay in isolation until they have had 2 consecutive negative tests taken on separate days.

### Afterschool club

In cooking club we are making dishes that are part of a varied and healthy diet, using a mixture of different skills, including Maths, team work and many others.

In week one the children made leek and potato soup. In week 2 we made chilli/vegetarian chilli -

All the children took their food home to try.

### Story Telling Week

We would like to invite parents to take part in our story telling week commencing the 31<sup>st</sup> of January. We will be looking at exploring different texts and transporting to other worlds through literature and would love for parents to come in and be part of this by reading to the children. This can be completed in school or via teams. Please can you inform school by email before **Friday 28<sup>th</sup> January** if you wish to participate.
