## Robinwood Residential

The children had an amazing time at Robinwood last week, taking part in many adventurous activities. We were extremely proud of their resilience, confidence, communication and listening skills. For many children this was their first time away from home. Thank you to all the staff members who made this possible, and ensured the children had a fantastic time!

## Reading at home

Please can we ask that all parents try to write in the children's planners under the 'Parents Comments' section when you listen to them read at home. Children in Reception and KS1 should aim to read every book twice to help develop their fluency before their book is changed again. This is really important for teachers to assess how the children are doing and to ensure they are reading the correct level of book. Thank you for your continued support.

## World Book Day

This year 'World Book Day' is on Thursday 3<sup>rd</sup> March. To celebrate this the children can all come to school **dressed as their favourite book character!** We will also be having a visit from a local author 'Karen Langtree' who will be completing workshops across the day with all of the children. She will be bringing books into school that the children will be able to buy at the end of the day and holding a book signing in one of the classrooms. If children would like to purchase a book please can the children **bring money to school in a sealed envelope labelled with their name and the amount.** Please see the letter attached for further information.

## PAFFS

Thank you so much to all the volunteers, parents, teachers & friends who helped make the Preloved Event on Saturday such a success. Whether you baked, donated items, your time or came along & spent on the day, without you it wouldn't have been possible. Combined with the bun sale on Monday night together we've raised a whopping **£314.20** which is amazing & brings us closer to our goal of creating a beautiful library space at school.

Wishing you all a fun filled half term, PAFFS.

## EYFS - Feeling the Love!

This week in aid of 'Valentine's Day' we have been talking about the different people we love and our families. The children explored squeezing the cardboard tube, keeping the shape of a heart, and presses it hard into the paint choosing the different colours they would like and enjoys looking and seeing the effect it had created onto the paper.

## KS1 - Our Bridges

We have had a lovely final week this week. We have created some beautiful stories to finish off our learning about Orion and the Dark and we have been learning more about sharing and grouping different objects. In DT this week, we have been designing and building our own bridges which we have absolutely loved doing. They have had so much fun with this topic and have learnt lots about the different bridges. (We even had a go at testing some of them afterwards!)

## KS2 (Class 3) – Learning all about resilience

For those children that decided to stay at school last week we enjoyed a very challenging but fun few days. From tackling the impossible (1000 piece jigsaw – we never gave up!) to competing in quizzes and challenging team games, baking and to finish that all off a very chilled film afternoon.

## KS2 (Class 4)

This week in class 4 we have been working hard on our fractions in maths and in English we've been creating some excellent ode poems paying tribute to a person, place or thing that we love.

## SATS booster sessions

Mr Carlisle will be offering SATS booster sessions for Year 6's on Tuesdays after school from 3.15-4.15pm. If you would like your child to attend please contact the office.
