

FOSTON PRIMARY SCHOOL BULLETIN

Nursery & Reception

The children in Nursery and Reception had lots of fun creating shortbread last week. They worked together to weigh out and add all the different ingredients together. We then rolled the shortbread out before using cutters to create the different shapes. The best part of all was getting to try one as a special snack!

The children in Nursery and Reception have been using their green fingers to help do some planting in our outdoor area. We have been planting a range of different herbs and flowers. The children have been very excited to watch and see them grow. Together we have been caring for our plants and ensuring we try to water them every day to help them grow.

Years 1 & 2

This week in year 1 and 2 we have been super busy. We have been starting to look at measures this week and we have had a lovely time taking our maths lessons outside in the sunshine. We have also been very lucky as to have a brilliant forest school session this week as well. We had a fantastic time building dens and collaborating with our friends.

Years 3 & 4

We have had a fantastic time this week completing our field study of our village. We looked at all the different types of houses in our village and what other things it offers, then returned to school to start to put all our findings into a power point presentation.

Years 5 & 6

This week in class 4 we have been writing setting descriptions about a haunted forest, focussing on our senses and thoughts to describe the forest. In Maths we have been measuring the length of different parts of the school and converting between different metric units. In Geography we have been planning a field study of Thornton-le-Clay which will we carry out next week.

FOSTON PRIMARY SCHOOL BULLETIN

Year 5 & 6 Drug Talk

Next week, we have a visitor from the children's charity coming into school to talk about drug awareness with the year 5/6 children linking to our current topic in PSHE. If you have any questions, please speak to your class teacher.

KS2 Swimming in Summer

Beginning Thursday 9th June, KS2 will be attending swimming in the morning. This will take place every Thursday throughout the term with the last session taking place on the Thursday 14th July. Please can we ask that pupils come to school with their swimming attire on under their school clothes and to bring socks, pants and a towel for them to use and get changed into after swimming in a plastic/waterproof bag. If anyone has any further questions, please speak to your class teacher.

Yorkshire Countryside Day KS2 trip - Tuesday 14th June

KS2 have been invited to attend the countryside day at Harrogate showground where we will take part in different workshops to learn all about Yorkshire agriculture. A voluntary contribution of £12.00 and consent can be done via ParentPay. Pupils are required to bring a packed lunch for this trip. Should you require one from school, please email your school office with your choice of sandwich: ham, egg or cheese by Monday 6th June.

Please can we ask that KS2 children arrive at school for 8:15am in order to leave on the bus for 8:30am. Pupils will then be dropped off at 3:30pm for parental collection. If anyone has any further questions, please feel free to contact us.

Stay and Look

On Tuesday 5th July we are inviting parents/carers to come into school at 3:15pm to look at the children's books and work from across the year and share in all of their achievements.

Reception 2022 Transition Meeting

On Monday 18th July at 3:30pm Miss Midwood will be holding a transition meeting for all parents of children starting Reception in September 2022. This will provide useful information of what to expect within the Reception year and gives parents the opportunity to ask any questions they may have. We strongly encourage parents to attend, even if you already have children in school.

Textiles for Summer Term

Next term we will be looking at creating our own costumes for our end of year play in KS2. Therefore, we would like to ask for any donations of material to make into costumes. Clean items such as: bedsheets, old clothing or pillowcases would be greatly appreciated.
