Nursery and Reception

This week in Nursery and Reception the children enjoyed exploring the different fruits and vegetables kindly given to us. We passed them around described them using language, "I think the lime will be sour!" We also explored the coconut, "It's hairy and tickly!" They also enjoyed shaking the coconut listening to the sound of the milk inside. The children then enjoyed tasting them all, particularly the pomegranate.

For Class 2

This week we have had a lovely time with Audrie for drama, we really enjoyed creating our stories using lots of props. We have also been thinking about instructions and we have been following instructions on how to make our own leaf robots which we absolutely loved.

FOSTON PRIMARY SCHOOL BULLETIN

Class 3

The book we are learning about this half term is 'Pebble in my pocket' which is about volcanoes. The children have really enjoyed exploring this topic in school and in their homework. On Wednesday, we experimented with our volcanoes creating explosions by mixing bicarbonate of soda and vinegar.

Class 4

This week in class 4 we have been finishing our explanation texts in English, the class have come up with some excellent guides for surviving in the wilderness. In History and science we have continued exploring fossils and how they help us decipher what happened in the past.

Dodgeball Tournament

On Wednesday 5th of October, the year 3 and 4 children will be taking part in a dodgeball tournament at Malton Sports Centre. Please can the children come into school in their PE kits and trainers. The children will have lunch at school as normal. A member of staff will accompany the children on a bus which will take them to Malton. The children should arrive home by the end of the school day.
