Nursery and Reception

This week the children in Nursery and Reception went for a walk around the village looking at the different natural signs of autumn around us. The children were excited to find lots of different treasures, for example, pine cones, acorns and leaves of many different colours. We have then had fun across the week looking at the objects found and investigating the different textures. “The conkers shells are spiky and soft inside!” “Conkers are smooth and soft.”

Class 2

This week in year 1 and 2 we have had lots of fun. We have been writing instructions on how to build a robot based on our current English text. We used these instructions to then build our own robot using lots of different materials. We have also really enjoyed creating models of London from our construction materials to link to both our Geography and DT topics.
