Nursery & Reception

This week Christmas has fully arrived in Nursery and Reception and the children have thoroughly enjoyed decorating the tree and the classroom, helping us all get in the festive spirit! We sang along to Christmas music whilst we decorated and even sang some of our Nativity songs ready for the performances next Tuesday.

Years 1 & 2

This week in year 1 and 2 we have had a fantastic time getting ready for Christmas. We have been really enjoy doing our nativity and can't wait for everyone to see it. We have also had a super time singing our songs at the community lunch on Wednesday. Finally, we have been creating some beautiful Christmas decorations that we can't wait to decorate and bring home.

Years 3 & 4

In Class 3 this week we have been writing a persuasive leaflet to encourage saving energy and helping the environment. In RE we had a debate to decide if Christmas should be banned. The children came up with some great arguments for both sides, but ultimately Christmas was saved!

Years 5 & 6

This week in Class 4 we have been exploring music from Kathryn Tickell and writing setting descriptions for a party with folk music playing, like the ones in our book. We also completed our Christmas tree made out of recycled bottles, recyclable sticky tape and paper decorations for the baubles. This links with our science topic this half term around recycling and sustainability.

Cooking Club

Over the last couple of weeks the children have made different dishes from around the world. They made club sandwiches, pepperoni pasta and a traditional salad dish from the Ukraine called Vinegret.
