Nursery & Reception

The children in Nursery and Reception have been really enjoying their weekly forest school sessions on a Wednesday.

This week we explored different risks we might find when exploring in woods and forests and how to keep ourselves safe. We spotted some mushrooms and talked about the importance of not picking them to eat, and only looking.

The children loved climbing in the willow tree on the field and swinging like monkeys in the trees! We discussed the risks and how to keep safe when climbing. It helped us to be brave and try new things!

Year 1 & 2

On Monday we had a wonderful drama session with Audrie. We developed our listening and speaking skills through lots of fun activities. Our favourite activity was making our puppets talk! Audrie helped us to think about how to use our voices and actions to really make our puppets come to life.

Year 3 & 4

Our Class 3 children had a superb time at the Malton Dodgeball event last week showing great team spirit, teamwork and incredible throwing and catching skills!

Year 5 & 6

This week in Class 4 we enjoyed a drama session with Audrey and practised our confidence in front of an audience and our story-making skills. In science we became pedologists and have been learning about soil and how it is formed. A very good week for everyone, well done!
