Pupil premium strategy statement Foston CE VA Primary School 2023-2024

This statement details our school's use of pupil premium and recovery premium for the 2023 to 2024 academic year funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

| Detail | Data |
|---|--|
| School name | Foston CE VA Primary School |
| Number of pupils in school | 56 main school 10 nursery |
| Proportion (%) of pupil premium eligible pupils | 7 Children Pupil Premium (11%)5 children Key Stage 1 & 22 children EYFS4 children- Previously Looked After /Looked After3 children- Free School Meal (FSM)0 children- Armed forces |
| Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended) | 2023-2024 2024-2025 |
| Date this statement was published | December 2023 |
| Date on which it will be reviewed | June 2024 |
| Statement authorised by | Sarah Moore, Headteacher |
| Pupil premium lead | Katie Stringer, Assistant Headteacher |
| Governor / Trustee lead | FST Federation Helen Ashdown, lead for disadvantaged pupils |

Funding overview

| Detail | Amount |
|---|---|
| Pupil premium funding allocation this academic year | £11955 |
| Recovery premium funding allocation this academic year | £2000 Plus tuition funding of £67.50 per PPG (£270) |
| Pupil premium funding carried forward from previous years (enter £0 if not applicable) | £0 |
| Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year | £14,225 |

Part A: Pupil premium strategy plan

Statement of intent

In line with our vision, we aim for every child to reach their full potential whatever their experiences and abilities. We aim to provide the tools and resources to enable all pupils to flourish and make rapid progress.

Through the use of targeted pupil premium funding, we focus on removing the barriers for disadvantaged children through additional adult support, interventions focussing academic and social and emotional barriers, resourcing and development of teacher subject knowledge in order for every child to have equity in their educational experience.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge |
|---------------------|--|
| 1 | Communication Some of our pupils have underdeveloped oral language skills and vocabulary. There are some language and vocabulary gaps among this group of pupils compared to their peers. This impacts on social and communication skills as |

| | well as their phonics, reading and writing. Some of these children are quiet in the classroom and will not input their ideas into discussions. |
|---|---|
| 2 | Learning, Attainment and Progress 33% of the Pupil premium pupils have some SEND needs. This group also has lower attainment compared to their peers; most Pupil Premium pupils (66%) are working towards national expectations. 0% are working at Greater Depth in Reading, Writing and Maths. The challenge is to increase this group's attainment and progress across Reading, Writing and Maths. Through high quality teaching and planned interventions and support. |
| 3 | Attendance Our attendance data for PP pupils is generally good, the majority of pupils have excellent attendance. Attendance data over the last year indicates that attendance among dis- advantaged pupils was lower than that for non-disadvantaged pupils. Attendance in 2022/23 for Pupil Premium pupils was 90.96% and non- Pupil Premium pupils was 94.44%. Our assessments and observations indicate that this absenteeism is negatively impacting this particular group's progress. It has also impacted on their wellbeing and mental health. |
| 4 | Inclusion and enrichment Some of the pupils have limited access to extra-curricular activities and find it difficult to pay for educational visits, extra-curricular clubs and sports/music tuition. All clubs are offered with free/subsidised places. Visits and residential are subsidised, as are music and sporting opportunities. |
| 5 | Mental health, wellbeing and relationships 50% of the children have SEMH needs, some receive support from both outside agencies and specialist TAs in school for nurture, wellbeing and therapeutic interventions. Many of the challenges for this group are in Social and Emotional Health, wellbeing and relationships. With concerns and needs around self-regulation, management of feelings and positive relationships. |

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome | Success criteria | |
|---|--|--|
| 1.Communication 1.1 To develop oral language skills and vocabulary. 1.2 An improved confidence in speaking and listening activities. 1.3 To use high quality texts, modelling and challenging vocabulary, talk and discussion across whole curriculum to develop oracy and vocabulary. | Oracy, language skills and vocabulary are improved. High quality texts, strategies to improve discussion and vocabulary are used across whole curriculum. High quality interventions support and develop vocabulary and oracy and improved confidence in speaking and listening. Drama sessions have a positive impact on pupils' confidence. | |
| 2. Learning, Attainment and Progress 2.1 To ensure Quality First Teaching (QFT) in all classrooms so that children | QfT is seen in all classrooms in lesson observations/learning walks. | |

| in every class have the best possible education. 2.2 To raise pupil attainment in reading, writing and maths 2.3 To ensure disadvantaged children make expected or more than expected progress in reading, writing and maths 2.4 To give children targeted support in small groups in addition to work covered in class. | Pupils' attainment is increased so that more pupils reach the expected in Writing, Reading and Maths and some achieve the greater depth standard. Pupils progress is increased so that more pupils reach the expected standard and more achieve greater depth in Writing, Reading and Maths. Well used and developed library areas. Targeted support planned and taught to small groups. Century is used regularly to identify and close attainment gaps. |
|--|---|
| 3. Attendance 3.1 To support children that have poor attendance or are regularly late for school and improve their overall attendance. 3.2 To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils. | Attendance is improved through working with families and outside agencies. Pastoral lead supports families. Families are supported to arrive at school on time (early) through meet and greet, before school activities and subsided breakfast club sessions. |
| 4. Inclusion and enrichment 4.1 To provide a range of school visits, visitors and experiences that they may not have been able to do without the financial subsidy. 4.2 Enhance and develop learning and experiences that develop children's cultural capital. | A wide range of subsided school visits, visitors and experiences are provided, all PP pupils expected and supported to attend Pupils' knowledge, vocabulary and cultural capital improved, shown thorough pupils voice |
| 5. Mental health, wellbeing and relationships 5.1 To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils. 5.2 Provide opportunities for children who are experiencing emotional difficulties to use play to communicate. 5.3 To reduce disruption to learning, reduce behaviour incidents 5.4 To raise self-esteem, promoting confidence and increased motivation 5.5 Provide children with the skills to identify their mood and know what to do to change their mood if feeling low. | Wellbeing, metal health, relationships and self- esteem and increased for all, through whole school approaches to wellbeing and relationships Nurture and play based interventions planned and delivered Referrals made and outside agencies work in school with identified pupils. Disruption to learning, behaviour incidents reduced Children are accessing an increased amount of learning. Staff knowledge of behaviour management, trauma and wellbeing developed through CPD. |

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

| Budgeted cost: | £ | 1000 |
|----------------|---|------|
|----------------|---|------|

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|--|---|-------------------------------------|
| Teaching and modelling high quality vocabulary. | Teaching and modelling vocabulary https://educationendowmentfoundation.org.uk/early-years-evidence- store/communication-and-language?approach=teaching-and-modelling- vocabulary&utm_source=/early-years-evidence-store/communication-and- language&utm_medium=search&utm_campaign=site_search&search_term=vocabulary | 1 |
| To provide high quality feedback in lessons to support progress of all learners. | Feedback +6 months EEF https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/feedback | 2 |
| To improve teacher knowledge on effective teaching and learning strategies, including high quality modelling and scaffolding. | High quality teaching and learning through modelling and scaffolding https://educationendowmentfoundation.org.uk/news/eef-blog-the-five- a-day-approach-how-the-eef-can-support | 2, 4 |
| To improve comprehension and reading strategies for KS2, including fluency and reading interventions, developing a love for reading. | Reading comprehension strategies + 6 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> evidence/teaching-learning-toolkit/reading-comprehension-strategies | 2, 4 |
| CPD on self-regulation strategies to improve outcomes | Self-regulation + 7 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> <u>evidence/teaching-learning-toolkit/metacognition-and-self-regulation</u> | 2, 5 |

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

£270 tuition funding plus £2000 recovery funding + 6000 Total allocated £8270

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|---|--|-------------------------------------|
| To deliver effective speaking and listening interventions. | Oral Language Interventions +6 EEF https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/oral-language- interventions | 1, 4 |
| Focussed tutoring sessions in maths to close attainment gaps. | 1:1 tuition +5 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> <u>evidence/teaching-learning-toolkit/one-to-one-tuition</u> Small tuition groups +4 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> <u>evidence/teaching-learning-toolkit/small-group-tuition</u> | 2, 4 |
| Reading interventions to develop fluency and comprehension skills. | Reading comprehension strategies + 6 EEF https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/reading-comprehension- strategies | 2, 4 |

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £4955

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|--|--|-------------------------------------|
| Arts participation (drama, music and dance, residential) and extra- curricular opportunities. | Arts participation +3 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> <u>evidence/teaching-learning-toolkit/arts-participation</u> | 1, 2, 3, 4 |
| Breakfast club offer to improve attendance. | Attendance report due https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/understanding- the-use-of-attendance-family-liaison-officers-as-a-school-level-strategy-to-improve- attendance?utm_source=/projects-and-evaluation/projects/understanding-the-use-of- attendance-family-liaison-officers-as-a-school-level-strategy-to-improve- attendance&utm_medium=search&utm_campaign=site_search&search_term=attendance | 1, 2, 3, 4 |
| Pastoral lead to work closely with parents and improve engagement. | Parental engagement +4 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> evidence/teaching-learning-toolkit/parental-engagement | 2, 3, 5 |
| Self-regulation strategies to improve outcomes | Self-regulation + 7 months EEF <u>https://educationendowmentfoundation.org.uk/education-</u> <u>evidence/teaching-learning-toolkit/metacognition-and-self-</u> <u>regulation</u> | 2, 5 |

Total budgeted cost: £ £13,492

Part B: Review of outcomes in the previous academic year

Outcomes for disadvantaged children

We have analysed the performance of our school's disadvantaged pupils during the previous academic year, drawing on national assessment data and our own internal summative and formative assessments. Due to the size of our cohorts across the school, our school data is supressed.

To help us gauge the performance of our disadvantaged pupils we compared their results to those for disadvantaged and non-disadvantaged pupils at national and local level (though these comparisons are to be considered with caution given ongoing pandemic impacts) and to results achieved by our non-disadvantaged pupils.

We have also drawn on school data and observations to assess wider issues impacting disadvantaged pupils' performance, including attendance, behaviour and wellbeing.

The data demonstrated that as a school we face many challenges including: progress and achievement, attendance, social emotional and mental health needs, communication needs and inclusion.

Based on all the information above, the performance of our disadvantaged pupils met our expectation, and we are at present on course to achieve the outcomes we set out to achieve by 2024/25, as stated in the Intended Outcomes section above. Our evaluation of the approaches delivered last academic year indicates that we achieved our previous strategy aims:

-Children are quickly identified if they are not well-regulated or ready to learn. -Discussions take place with the class teachers, SENCO and pastoral lead to ensure children's needs are well met in school.

-There is close communication between home and school to identify barriers to learning.

-Regulation strategies are used to support children through morning check ins. -For those children with SEMH identified needs, time accessing learning within the classroom environment is increasing.

-Retrieval is used to recap learning and ensure long term knowledge in retained.

-Precision teaching is used to close the attainment gap with instant recall facts.

-Children are making good progress with their maths, the attainment gap is closing.

-Libraries in each school and some classes are using these to develop a love for reading.

-New long-term plan for class reading books is in place and children are listening to a wider variety of key books.

- Highly effective implementation of Little Wandle by experienced reading lead.

-Strong phonics screening results.

-Whole class approach to guided reading.

-Two guided reading sessions per week in place support progress in reading.

We have reviewed our strategy plan and made changes to how we intend to use some of our budget this academic year. The Further Information section below provides more details about our planning, implementation, and evaluation processes.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

| Programme | Provider |
|---------------|------------------------|
| Little Wandle | Letters and sounds |
| Literacy Shed | Visual Literacy |
| Talk Boost | Speech and language UK |

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

| Measure | Details |
|--|---------|
| How did you spend your service pupil premium allocation last academic year? | NA |
| What was the impact of that spending on service pupil premium eligible pupils? | NA |

Further information (optional)

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.
